Sun Dial Dedication

In Memory of Mrs. Wm. H. Knight
June 20, 1918
Unitarian Church, Los Angeles

At the unveiling of the Sun Dial, the daughter, Mrs. Christopher Ruess, said: "As mother was more active in the Unitarian Alliance than in any other organization, her family desired to place this sun dial on the Church lawn to remind friends of her sweet life. Her name, Ella, meaning 'Light'—the motto was chosen from Thessalonians, 'Ye are all the children of Light.' Besides reminding us of Arnold's essay, 'Sweetness and Light,' it seems to stand for the message of this Church to the passer-by. A silent sun dial may be a wayside preacher."

While Chadwick's hymn was sung—

More homelike seems the vast unknown
Since they have entered there.

About twenty bulbs of fleur-de-lis were planted by friends in a half circle round the pedestal, and sprigs of rosemary from Mrs. Knight's garden were distributed.

The following lines were read by Miss Snow Longley, who has known the Knight family since childhood in the Cincinnati church:

IN MEMORY OF MRS. KNIGHT

Blue skies, green grasses, and light filtering through
The filmy line of haze that veils the blue,
And in our hearts a solemn, chastened stir
Of joy and sorrow melted into one—
Our tender, tear-stained memory of her,
And proud rejoicing at a race well run.

Her name betokened Light, and silently,
Unheralded, she set her radiance free
In fine-rayed service, delicately wrought
From out her inner being; as a star
That shines of its own nature, with no thought
Of self or shining, sends its glory far.

Blue skies that arched her days, the grasses green
That knew her step, the loved familiar scene,
Here let her memory shine forth in light
The changing record of the sun-crowned dial,
Serving our human need, a symbol bright
Of one who ministered and gave us light the while.

Professor B. R. Baumgardt explained that sun time differs from clock time from one to fourteen minutes, according to the earth's distance from the sun in its elliptical orbit. But, he said, time is an abstract, intangible quality, a product of the mind. Space is another intangible product of the mind, but mind is limited neither to time nor space. It explores the past, dwells in the present, and conjures the future. Yet this dial plate contains a shadowy record of Time as he flits past.

Mrs. Katherine Inglis, president of the Alliance, read a poem—"The World's Good Women"—as a tribute to all former members, including—

Madame Caroline Severance
Madame Elizabeth G. Foord
Mrs. Frances Fay
Mrs. Newell Mathews
Mrs. Helen Kimball
Mrs. A. L. Whitney
Mrs. A. A. Stowe

Mrs. H. C. Stratford
Mrs. L. E. Shoatt
Miss Sarah Jacobs
Mrs. Greda M. Schmisser
Mrs. Bertha Caspar
Mrs. O. W. Butler
Mrs. Wm. H. Knight.

Music by Mrs. Eleanor Crandall, Mrs. Ruth Barry and Miss Harriet Keese.

Introductory remarks and closing prayer by Rev. E. Stanton Hodgins.

"The Lord lift up the light of His countenance upon thee, and give thee peace."

WOMAN'S ALLIANCE NOTES.

WOMAN'S ALLIANCE NOTES.

Mrs. J. B. Baker invites the women of the congregation for a social day, Thursday, Sept. 19, from 11 to 4 o'clock. Strangers in the church are **urged** to come. Residence, 137 West 2nd St. Take Washington St. car to Western Ave. Bring one article of food.

Members of the congregation will notice the changes wrought in the interior of the Church and Sunday School room during the summer months. This work means considerable outlay, and the committee hopes many will feel disposed to assist in defraying the expense incurred.

The Calling Committee will be glad to visit any sick or new members.

SERMON TOPICS.

The first four sermons in recognition of Mr. Hodgins' completion of twenty years' continuous service in the Unitarian ministry will be a glance over the steps by which he arrived at his present religious convictions.

Sept. 15—"What Heredity Did For Me."

Sept. 22—"What Education and Environment Contributed."

Sept. 29—"The Momentous Moment—Choosing a Vocation."

Oct. 6—"Twenty Happy Years in the Unitarian Ministry."

FINANCIAL

Will those whose subscriptions have fallen behind see the treasurer soon in order that the deficit that has accumulated during the vacation may be reduced?

MEN'S CLUB LUNCH

Union League Club, Hill and Second Sts., 7th floor, Sept. 19, at noon. Quick service, leaving plenty of time for discussion. Strangers and transients especially invited. The object of the Club is "to promote the hospitality, increase the membership and extend the influence of the church in the community."

Will those knowing of cases of illness among members of the society please report the same to the Visiting Committee? (See back of Calendar.)

Strangers are invited to introduce themselves to the pastor, the ushers or any member of the congregation, and to register in our Visitors' Book, that we may have an opportunity to become better acquainted..

A man may give up all that passes current as religion, but if he bend before truth and justice and love; if he feel that there is something sovereign within him which it were better to die than disobey, he is on the open highway to those truths and confidences which are the imperishable part of religion.

FINANCIAL

The closing of the church for eight weeks has so thrown the finances in arrears that all are earnestly solicited to pay up their subscriptions as speedily as possible; also since you have had no opportunity to put anything in the basket for eight weeks you are asked to make the Sunday collections very generous from now until the annual meeting in January to help relieve the situation.

The church is supported entirely by the voluntary contributions of members of the congregation. If you are not already a regular subscriber you are cordially invited to become one. Subscription cards can be obtained of the Secretary. Please make all checks to "The First Unitarian Church." Address all letters to the church, 925 South Flower St.

NEW MEMBERS

This is the time of year when we usually receive a goodly number of new members. All who are in harmony with our interpretation of life are cordially invited to unite with us. Membership cards, on which the conditions of membership are stated, can be obtained at the desk. Let us make up for our long period of inactivity by obtaining a large increase in our membership before the annual meeting.

MEN'S CLUB LUNCH

Union League Club, Hill and Second Sts., 7th floor, Dec. 12th, at noon. Quick service, leaving plenty of time for discussion. Strangers and transients especially invited. The object of the Club is "to promote the hospitality, increase the membership and extend the influence of the church in the community."

FINANCIAL

The closing of the church for eight weeks has so thrown the finances in arrears that all are earnestly solicited to pay up their subscriptions as speedily as possible; also since you have had no opportunity to put anything in the basket for eight weeks you are asked to make the Sunday collections very generous from now until the annual meeting in January to help relieve the situation.

WOMEN'S ALLIANCE

The Guest Luncheon has been put forward to the third Thursday in January.

The women of the church meet every Thursday at 10 o'clock to work. Bring box luncheon.

The women of the church wish to remind you that they are still adhering to the Calendar plan for raising funds and hope that all will make their contribution of a penny a day to Miss S. E. Marshall, Treasurer.

Christmas Socks—Those wishing to procure socks for Christmas gifts can get them by applying to Miss Spalding.

MEN'S CLUB LUNCH

Union League Club, Hill and Second Sts., 7th floor, c. 19th, at noon. Quick service, leaving plenty of time for discussion. Strangers and transients especially invited. The object of the Club is "to promote the hospitality, increase the membership and extend the influence of the church in the community."

NEEDLE WORK GUILD

The Needle Work Guild is making a drive for new members through the churches. The giving of two new garments and ten cents constitutes a year's membership. Those of the congregation who have not sent in garments are solicited to bring their contributions next Sunday. Men are invited to contribute. Money will be accepted. For particulars consult Miss Belle Smith, President of the General Church Section.

NEW MEMBERS

This is the time of year when we usually receive a goodly number of new members. All who are in harmony with our interpretation of life are cordially invited to unite with us. Membership cards, on which the conditions of membership are stated, can be obtained at the desk. Let us make up for our long period of inactivity by obtaining a large increase in our membership before the annual meeting.

Membership Card

IN THE LOVE OF THE TRUTH, AND IN
THE SPIRIT OF JESUS, WE UNITE FOR
THE WORSHIP OF GOD AND THE SERV-
ICE OF MAN.

The First Unitarian Church of Los Angeles
stands for the advancement of sound morals
and pure religion in the community, and for
the promotion of Truth, Righteousness and
Love in the World.

It asks assent to no body of doctrine or sys-
tem of belief. It leaves each member free to
formulate his belief according to individual
conscience and reason, holding that out of the
cultivation of reverence for truth and sincer-
ity, will issue a conscientiousness, a self con-
trol, and a purity and strength of character
that will be the best safeguard against evil
and the greatest inspiration to noble living.

Finding myself in general accord with the
above statement, I hereby make application
for membership in the First Unitarian Church
of Los Angeles, promising such personal and
financial support as may reasonably be ex-
pected of me.

In Flander's fields, the poppies grow
Between the crosses, row on row,
That marks our place, and in the sky
The larks still bravely singing, fly,
Scarce heard amid the guns' bellow.
We are the dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now
We live in Flander's fields.
Take up our quarrel with the foe.
To you from failing hand we throw the torch.
Be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow on Flander's fields.

GENERAL CONFERENCE

The General Conference of all the Unitarian Churches of America will be held in Baltimore, Md., and Charleston, S. C., the middle of October. If there are any in the church who can attend we shall be glad to make them delegates to the Conference, the Layman's League or any of the Auxiliary meetings they are qualified to represent. Please report to the Minister.

NEXT SUNDAY

As next Sunday is the last before the vacation, will all make a special effort to be present. The subject will be "Our Present Opportunity."

NEXT SUNDAY

The sermon topic next Sunday will be "One Hundred Years of American Unitarianism." Copies of Channing's Baltimore sermon, given one hundred years ago, may be obtained at the Visitors' Desk this morning by those who desire.

VACATION

The summer vacation for the church will begin the first of August.

VISITOR'S BOOK

Miss Harriet Spalding will have charge of our Visitor's Book and strangers, whether transients or residents, are invited to register their names with her.

FINANCIAL REMINDER

The vacation season is at hand, at which time the church always runs behind. If all those whose subscriptions come due during the summer will, if possible, pay their subscriptions now, it will be appreciated. In view of the fact that you will have no opportunity to put anything into the contribution basket for several weeks, generous contributions this week and next will help relieve the situation.
